At the library you can learn more about homeschooling and other topics from thousands of books, videos, DVDs, books on tape, and books on CD. Or visit our Web site (www.bcplib.org) to access dozens of research databases and find useful internet links.

The library is free. You can find everything from fun books for kids and adults to in-depth research materials. We can even access library collections around the country using our Interlibrary Loan network.

Please stop by and see for yourself all the wonderful things available at your public library.

Is there a topic you'd like to learn more about? If you have suggestions for future library pathfinders, let me know!
