At the library you can learn more about Nora Roberts and other authors from thousands of books, videos, DVDs, books on tape, and books on CD.

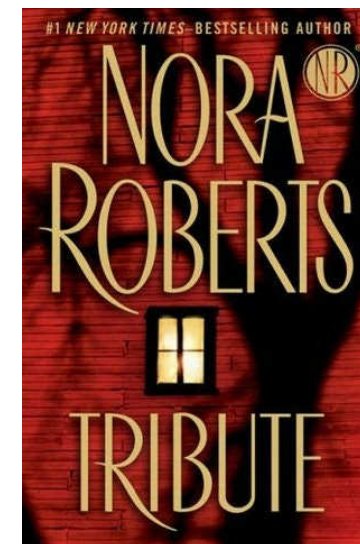

The library is free. You can find everything from fun books for kids and adults to in-depth research materials. We can even access library collections around the country using our Interlibrary Loan network.

Please stop by and see for yourself all the wonderful things available at your public library.

Is there a author you'd like to learn more about? If you have suggestions for future Author Guides, let me know!
